RULES AND REGULATIONS

SHIPPING AND RECEIVING:

SHIPPING IN: Please send packages no earlier than two days prior to event start date due to limited storage. Packages will be collected by Security and stored outside of the Command Center. Packages will be brought up to the show floor on the day of event by the Event Manager. Exhibitor Shipments must be shipped to the Event Manager's attention with the show name and booth number clearly written on the label in the following format:

Name of Event, Shipper Name, Booth #
Attn: (Event Manager's Name)
Albany Capital Center - Loading Dock
55 Eagle Street
Albany, NY 12207

SHIPPING OUT: Return shipments must be re-packed, labeled, and called in by the shipper. When the package is ready to be shipped, please contact your Event Manager. Your Event Manager will bring packages down to the Loading Dock following the show. **The ACC does not supply shipping labels, and are not responsible for lost, damaged, or stolen packages.** All packages remaining after 5 business days will be discarded.

UNLOADING AND PARKING:

UNLOADING: The Albany Capital Center's loading dock is located on the left side of the building at **54 Howard Street** (across from the Renaissance Hotel garage.) Exhibitors will be able to pull off the street and into the loading dock. There is a large, unmarked, white garage door with a regular sized door to the right. The ACC Security Team's office is located to the right inside the door. They will work with the exhibitors to assist them with parking as space allows.

No parking is allowed on the loading dock for any reason and vehicles that are not being unloaded or loaded must be removed from the dock.

The exhibitor will have 30 minutes to move in/out freight/service elevators to the event location within the convention center. The ACC Security Team will direct you to the elevators. We advise that you drop your items off on the show floor and then return to the loading dock immediately to move your vehicle. Any vehicle left unattended after the 30-minute time will be towed.

We suggest that all exhibitors bring their own carts as carts will not be made available for move in or move out.

If exhibitors have only a few items to move in/out, the ACC would like to suggest using the Albany Capital Center's parking garage. Should exhibitors choose to park in the parking garage (Levels 1, 2, or 3), there is access to a passenger elevator that can be used to bring you up to the 1st Level of the convention center (C1.)

PARKING: The Albany Capital Center has three levels of paid parking, with about 100 spots, located beneath the building. The GPS address for the Albany Capital Center Parking Garage entrance is: **7 Wendell Street, Albany, NY, 12207.** Event rate is based on activity in the complex by credit/debit card only. Parking payment kiosks are located on level C1 and at the exit gate.

Parking for oversized vehicles can be made available. Please contact the ACC Event Manager to make arrangements. Any vehicles under 7' should park in the ACC parking garage or surrounding areas.

In addition to the dedicated ACC Garage, the following garages are all directly connected to the ACC via enclosed walkways:

- MVP Arena Garage, located at 100 Beaver Street Albany, NY 12207
- Renaissance Albany Parking Garage, located at 49 Howard Street, Albany NY 12207
- Empire State Plaza Visitor Parking Lot, located at S Mall Arterial, V Lot, Albany NY 12207

FREIGHT ELEVATOR

To move from the Albany Capital Center's Loading Dock to Levels 1 and 2, a freight elevator can be used. Please make sure any freight or vehicles adhere to the below measurements and weight:

- 12' x 21' with 12' x 7' 11" doorway
- 15,000 lb. capacity

1ST LEVEL:

- Doors leading into the first level meeting rooms are 6' 6" wide by 8' 9" high.
- Floor Load Capacity: 150 lbs. per sq. ft.

2ND LEVEL:

- The largest doorway leading into the multipurpose room is 9' 6" wide by 7' 8" high via the service corridor.
- Floor Load Capacity: 150 lbs. per sq. ft.

BOOTH SET-UP AND DISMANTLE

The unpacking, assembling, dismantling, and packing of displays and equipment may be done by a full-time employee(s) of the exhibiting's company. Exhibitors are allowed to set-up and/or dismantle their own booths, provided they use their own bona fide, full-time employee(s). It is acceptable for exhibitors to use power tools to set up and/or dismantle their own booths.

AFFIXING TO THE FACILITY STRUCTURE

Exhibitors should not cause or permit any nails, staples, hooks, tacks, screws, or the like to be driven into the facility structure (including, but not limited to, any wall, ceiling, column, window, drape, painted, carpeted or concrete surfaces) of the premises.

Exhibitors shall not erect any decorations or use adhesive materials, including tape that can deface walls, ceiling, floors, facilities, and equipment contained on the premises.

ANIMALS

Animals and pets are not permitted in the ACC except in conjunction with an approved exhibit, display, show, etc. Certified Service Animals are permitted.

FIRE CODE

Exhibitors, and all other parties comply with all Federal, State, Municipal and ACC mandated fire codes that apply to public assembly facilities.

1. The decision of the Fire Marshall of the City of Albany is final.
2. Crate storage is prohibited in the ACC without prior written approval by the operator.
3. Crates stored in interior storage areas may not be within two (2) feet of sprinkler heads and a six (6) foot radius must be maintained around all access/egress doors.
4. All bunting, table coverings, drapes, signs, banners, and like materials must be flame resistant and are subject to inspection and flame testing by Fire Marshall.
5. All electrical equipment must conform to the National Electrical Code and be UL approved.
6. The following materials are prohibited without written consent of the ACC: open flame devices; vehicles; welding, cutting, or brazing equipment; ammunition radioactive devices; flammable liquids; pressure vessels, exhibits involving hazardous processing and materials; fireworks or pyrotechnics; blasting agents or explosives; flammable cryogenic gases; aerosol cans with flammable propellants; gas operated cooking equipment; portable heating equipment; other equipment, materials and

operations that increase risk to fire and life safety.

7. All emergency exits, hallways, and aisles leading from the building are to be kept clear and unobstructed. Any vehicles, material, equipment, etc. in fire lanes or blocking exits, etc. Will be removed at the Licensee's expense.
8. Exit signage, fire extinguisher, fire alarms, pull stations, and related fire-fighting equipment may not be hidden, obstructed, or blocked.
9. The ACC may request in writing specification descriptions, etc. of any and all equipment, processes, operations, etc. from Licensee, service contractor, exhibitors, etc. and reserves the right to submit information to the Fire Department for approval.
10. Exterior doors are not to be propped open. Automatic closing devices are not to be tampered with.

GLITTER, CONFETTI, BALLOONS, & OTHER MATERIALS

The use of glitter and confetti are not permitted in the ACC. Costs associated with the cleanup of glitter, confetti, or similar/related materials is the responsibility of the exhibitor.

The use of helium balloons is prohibited. Costs associated with the violation of this are responsibility of the exhibitor.

Adhesive backed stickers, decals, and chewing gum may not be distributed in the ACC. Costs associated with the removal of stickers/decals are the responsibility of the exhibitor.

SECURITY

The ACC maintains a twenty-four (24) hour security force responsible for monitoring the facility of the perimeter, interior public traffic flow in such areas, and the ACC's security system.

All event related labor must enter/exit the ACC via the employee entrance near the loading dock and are to be properly badged. The ACC in-house security reserves final rights to admit access to any event personnel to any ACC space.

SMOKING

The ACC is a non-smoking facility. Smoking is NOT allowed in the building at any time. Designated smoking areas are located outside the building.

ATM's

Guests will find an ATM located on Level One right next to our Capital Room.

VEHICLES

The Display of any and all vehicles that are powered by a combustion engine require fuel tanks be less than ¼ full. The cap for the fuel tank must be locked or taped closed and at no time in the removal or addition of fuel allowed in or around the ACC. Vehicle electrical systems must be disconnected by either removing battery, battery cables, or disconnecting battery cables and taping contact with non-conductive electrical tape. Vehicles are not to be moved during public hours.

ALBANY CAPITAL CENTER SERVICES

ADA COMPLIANCE

The Albany Capital Center is fully ADA compliant.
